Note from Assistant Governor Leona Stoecker:

Wow!!

As of today the total funds contributed by Area 8 Clubs is \$7,464.50. Thank you for your effort.!

As many of you know, Dr. Peter Schmid a Longmont surgeon just returned from Haiti. He was very anxious to tell me that he had slept in a Rotary Shelter Box and found it very comfortable.

He is putting together a presentation about his time in Haiti and will be doing a program for Longmont Rotary.

Since he may not have time to go to many other Rotary Clubs I will inform all of you when that will be and we would welcome your attendance.

Leona
